

TCC's Volunteer Work Day at Heron Shadow! Sunday, January 28 9am - 3pm

Please join us for our January volunteer work day at The Cultural Conservancy's Native land project [Heron Shadow](#) in Sebastopol, CA.

Come connect with the community and the land and focus on our Native plant work and riparian (wetland near a stream) zone management. Activities may include seed saving, Native plant restoration, weeding, and more. There are many different kinds of tasks for people of different physical capacities, and we invite people to join us even if they are not able to do heavy manual labor.

There are a limited number of spots available, please **RSVP to attend**. To register, [click here](#).

Once you register, you will receive a follow-up email with more information about the day and location!

Share the [Facebook event](#) with your community! Learn more about our land project at www.nativeland.org/heron-shadow

If you have any questions, feel free to email alexis@nativeland.org.

We're excited to share this special space with you this season!

With Gratitude,

The TCC Team
